GetMyHomesValue.com Expands to Texas

Online Home Valuation Site Provides Realty Professionals Leads

June 1, 2006 – Lancaster, PA – GetMyHomesValue.com, an online home valuation site that connects real estate agents with consumers wanting to sell or buy a home, today announced it's expansion to Texas. Real estate agents in Texas will now have the ability to build their client base by subscribing for exclusive leads by zip code through GetMyHomesValue.com.

GetMyHomesValue.com provides real estate agents with exclusive real estate leads to grow their business. The subscription-based service operates in states across the USA, giving top performing real estate agents a key advantage in the highly competitive real estate industry. GetMyHomesValue.com provides agents with contact information for consumers who have requested an obligation-free house valuation. Subscribers to GetMyHomesValue.com will be the exclusive agent for every lead within the zip codes they purchase.

“As homeowners continue to use the Internet as their number one method to search for real estate it is imperative that agents add online lead generation to their marketing efforts to capture leads for potential clients,” said GetMyHomesValue.com co-founder and Chief Motivational Officer Mr. Rory Wilfong.

GetMyHomesValue.com also works in consumers' favor. Agents or brokers that subscribe to GetMyHomesValue.com provide homeowners with a customized, cost free report of the current value of their home, without obligation and regardless if the homeowner is interested in selling, buying, refinancing or consolidating debt, now or in the future. Consumers have the opportunity to size up an agent based on their professionalism, expertise and commitment to service.

GetMyHomesValue.com aims to act as a concierge between the homeowner and agent through their Veri-Lead and Veri-Link program. As part of its Veri-Lead program, GetMyHomesValue.com actively attempts to verify that contact information for consumers is accurate and if practicable

initiates a three-way call between consumer, real estate agent and GetMyHomesValue.com, as part of its advanced Veri-Link service.

In addition to setting up in-person contacts where possible, a service that is unique, GetMyHomesValue.com also provides agents with personalized coaching from sales professionals who understand the importance of successfully converting GetMyHomesValue.com leads into clients, helping subscribers refine their sales skills for greatest success.

“There are many valuable techniques that agents can use to turn leads into a commission. GetMyHomesValue.com representatives are available to help agents achieve their goals by educating them on marketing ideas that will help them grow their business,” said Wilfong.

In addition to Texas, GetMyHomesValue.com has its greatest penetration in key real estate markets of Florida, California, Arizona, Washington DC, Maryland, New Jersey, Nevada, Virginia and Georgia.

GetMyHomesValue.com amalgamates requests for house valuations by zip code and provides exclusive leads to signed-up agents and broker clients. For real estate agents who want to grow their business, GetMyHomesValue.com provides the industry’s shortest minimum subscription sign-up time with a money-back guarantee.
